

U is for Ukulele!

9th Annual ABC Spring Literacy Concert

The Harmonica Pocket brings the ABCs to life with their new early literacy program "U is for Ukulele." Original songs are mixed up with playful skits to celebrate reading and the alphabet. Designed for toddlers and preschoolers, this show features hula hoops, ukuleles and catchy songs to get kiddos and their parents excited about books and reading.

The concert is FREE and each child will receive a book bag and a new book! Daycare and preschool groups are welcome
